

***To celebrate Christmas means
To live the Christmas spirit***

***Even in difficult times
Even in crazy moments
Christmas is a day of dreams
A day of hope
A day for happiness
Yes, it is a special day for serenity
It's a day for us to live a great Christmas story
A great Christmas story where we need to forget
All the pain, all the misery
All the disturbances, all struggles
Yes Christmas day is indeed marvelous
Bethlehem Christmas
A miraculous day for goodwill people
So they can learn to love
Christmas day, a miraculous day for peace
With others, with ourselves,
With the blessed nature
Christmas day, a miraculous day for revival
Christmas day, a day for beautiful music,
Beautiful light, beautiful colors,
Beautiful smells, beautiful gifts
But especially
A day of beautiful words
Beautiful words with one another
Sweet honey words
Christmas day is a special day where the star of
Bethlehem
Shows us the path of acceptance
The path of tolerance
The path to harmony, indeed this is Christmas,
A beautiful path
A path we should follow during 12 months
366 days of the year 2012
Even in difficult times
Even in crazy moments
Let's live the Christmas spirit
Live the Christmas spirit in our minds
Live the Christmas spirit in our hearts
Celebrate Christmas,
Celebrate Christmas of hope!
Indeed, Christmas is hope.
Christmas must bring hope.***
